

## Enrollment Confirmation

All enrolled students have the responsibility to formally notify the university that they will attend classes in Fall 2020. You may access confirmation by logging into [Gibson](#). You may continue to make changes to your schedule after confirming, and you can only confirm once. This is also the opportunity to update your address, phone number, and emergency contact information.

**If you do not confirm your enrollment by the last day to confirm, your course registrations will be cancelled, and you will be dropped from all enrolled courses.**

1. To confirm your attendance, you must login to [Gibson](#) using your Tulane email login and password, and select the "Student" tab. At the top of your Gibson screen you will see in yellow, "You have not confirmed your registration for Fall 2020". Click the yellow banner to confirm your attendance in the Fall 2020 term and verify your contact and demographic information.

The screenshot shows the Gibson website interface. At the top is a dark green navigation bar with the Gibson logo and menu items: Home, Student, Alumni, Billing, and Financial Aid. Below the navigation bar is a "Services" menu with links: NSO/CAST Online Modules, Canvas, Splash Card, Kronos, Student Evacuation Plan, OrgSync, Student Employee Self-Service, Clearinghouse, Service Wave, and Handshake. A yellow banner with a warning icon and the text "You have not confirmed your registration for Fall 2020." is highlighted with a red box. Below it is a blue banner with an information icon and the text "Your registration time-ticket is open for 2020 Summer/Fall."

2. Next, you will have the opportunity to update and verify that your address, phone number, and emergency contact information is correct.
3. Once all information has been updated and verified, click the **Continue** button at the bottom of the screen.
